Sciences Term 2

What does the mamu tjitji story tell us (moral or explination of our world)?
Who tells this story?

Mamu tjitji Dreaming Story

Year 4 Science Understanding
***Elaboration (Draft courtesy of ACARA)**
Investigate how Aboriginal and Torres Strait Islander Peoples understand and utilise the life cycles of certain species.

- Find mamu tjitjis to observe in the classroom
- Look at the life cycle of an antlion
- How does a mamu tjitji catch prey?

Mamu Tjitji create their own pit traps to catch their prey.

Mamu tjitji traditional song

Dreaming story.

Honey ants. Mamu tjitji.

Life Cycles

Why do you think Kado and the LYC kids made this traditional song into a new song?

- What does this song tell us?
- What does it mean?
- Who could help us understand this song?

Health
Year 4 – Use of persistence and resilience as tools to respond positively to challenges and failure, such as:
using self-talk
seeking help
thinking optimistically
(ACPPS033)

Health
Year 3 – Choices and behaviours conveyed in health information and messages (ACPPS039)

Why was this song made?
What does it have to do with us?
Why is it important for the kids of Leonora?

Thinking negatively, not being able to seek help and negative self talk can make people feel like they are like mamu and not connected to people (kin and family) and feeling like they are in a hole.
